

Share The Keys

New Jersey Parent/Teen Driver Safety Orientation

Monday, March 26th

7pm - 9pm

Warren Hills High School Auditorium

This workshop is intended for PARENTS and STUDENTS

Kean University in partnership with the New Jersey Division of Highway Traffic Safety and New Jersey State Police has developed **Share the Keys**, a research based, data-driven orientation designed to reduce teen driver crash risks by increasing parental involvement.

Graduated Driver Licensing (GDL) laws are recognized as the single most effective tool for reducing teen driver crashes, injuries and deaths. While New Jersey's GDL is considered one of the most progressive and stringent in the United States, it must be clearly understood and supported by parents to save lives. To that end, **ensuring that parents and teens fully understand the risks and responsibilities associated with driving is essential to teen driver safety.**

Teen drivers with highly supportive parents who closely monitor and set rules are 50% less likely to crash.

Awesome Prize Giveaways including Warren Hills Student Parking Passes and lots of other really cool stuff!

This workshop is sponsored by the Warren Hills PTSA

No Cost to Attend – It Just Might Save a Life!
