Important Superintendent's Update!!!

January 14, 2019

Dear Warren Hills Community,

This morning (January 14, 2019), Warren Hills Regional School District received a service announcement from *Remind* that may have a significant impact on many in our school community. *Remind* is one of the main social media sources we use to share announcements and information related to the WHRSD. Below is a bulleted synopsis of the information we received from *Remind*.

- Beginning Monday, January 28, 2019, *Remind* will no longer deliver text notifications to Verizon Wireless customers.
- Verizon Wireless is imposing an additional fee on *Remind* text messages that has led to *Remind's* decision to cease text notifications to Verizon Wireless customers only.
- *Remind* recommends that Verizon Wireless customers download the *Remind* app to receive app notifications or enable email notifications.
- If you have subscribed to Warren Hills Regional High School or Warren Hills Regional Middle School alerts by texting @whhsremind or @whmsremind to 81010 and subscribe to Verizon Wireless, you will discontinue receiving alerts from WHRHS and WHRMS beginning January 28, 2019 unless you download and activate the mobile app or email notifications.
- *Remind* has initiated a campaign to reverse Verizon Wireless' new fee. If this campaign is successful, text message notifications may be restored for Verizon Wireless customers in the future.
