Political Bosses

Central Historical Question:
Were political bosses corrupt?

Materials:
- Copies of Document A: Lincoln Steffens
- Transparency of Document A: Lincoln Steffens
- Copies of Document B: Plunkitt
- Political Bosses Powerpoint (Tammany Hall Political Cartoon)
- Copies of Graphic Organizer

Plan of Instruction:

1. Review Progressives: Who were they and what did they stand for?
   Many were against city corruption and against political bosses.

   **Political bosses** were political leaders who got people to vote for them by giving favors. They also made deals with various contractors. The ring of people who made deals and got votes for the political boss were called the **political machine.** In NYC the political machine was called Tammany Hall.

2. Put Tammany cartoon on overhead. Write in your notebooks:
   a. What do you see here?
   b. Who is in the ring?
   c. What is the cartoonist saying?
   d. Does he like Tammany or not?

2. Transition: Today we’re going to read documents by a muckraker and a city political boss. Progressive muckrakers thought that party bosses were corrupt and prevented democracy from working well.

   Please locate **Document A** and **Graphic Organizer**.

   *I am going to model the first document, and as I do, please fill in the Graphic Organizer.*

3. You will complete Document B and graphic organizer in groups.

4. Assessment: Write a dialogue between Steffens and Plunkitt in which Steffens tries to convince Plunkitt to run a more honest government. Complete for homework.
Document A: Lincoln Steffens

New advances in printing technology during the 1890s made magazines and other publications inexpensive to print. Magazines became available to a broader middle-class audience. Lincoln Steffens was well known for writing magazine articles about child labor, prisons, religion and political machines.

The typical American citizen is a business man. The spirit of business is profit, not patriotism; individual gain, not national prosperity. “My business is sacred,” says the business man in his heart. “Whatever helps my business, is good; it must be. Whatever hurts it, is wrong; it must be. A bribe is bad, that is, it is a bad thing to take; but it is not so bad to give one, not if it is necessary to my business.”

And it’s all a moral weakness. Oh, we are good—on Sunday, and we are “fearfully patriotic” on the Fourth of July. But the bribe we pay to the janitor is the little brother of the bribe passed to the councilman to sell a city street, and the father of the deal made by the president of the railroad, who agrees to use air-brakes only if he is given stock in the air-brake company.

We are responsible, not our leaders, since we follow them. We let them divert our loyalty from the United States to some “party”; we let them boss the party and turn our democracies into autocracies. We cheat our government and we let our leaders loot it, and we let them bribe our sovereignty from us. We are content to let them pass bad laws, giving away public property in exchange for money.

Vocabulary
Divert- redirect, change
Autocracy- rule by one person
Sovereignty- independence

Document B: George Plunkitt

I’ve been readin’ a book by Lincoln Steffens on The Shame of the Cities. Steffens means well, but like all reformers, he don’t know how to make distinctions. He can’t see no difference between honest graft and dishonest graft and, consequently, he gets things all mixed up. . . . For instance, I ain’t no looter. The looter hogs it. I never hogged. I made my money in politics, but at the same time, I served the organization and got more big improvements for New York City than any other livin’ man.

The Irish was born to rule, and they’re the honestest people in the world. Show me the Irishman who would steal a roof off an orphanage! He don’t exist. Of course, if an Irishman had the political pull and the roof was in bad shape, he might get the city authorities to put on a new one and get the contract for himself, and buy the old roof at a bargain—but that’s honest graft...

One reason why the Irishman is more honest in politics than many Americans is that he is grateful to the country and the city that gave him protection and prosperity when he was driven by oppression from Ireland. His one thought is to serve the city which gave him a home. His friends here often have a good place in one of the city departments picked out for him while he is still in Ireland. Is it any wonder that he has a tender spot in his heart for old New York when he is on its salary list the mornin’ after he lands?

Vocabulary
Graft- illegal activities; corruption

Source: Excerpt from a talk by George Plunkitt, a political boss in New York City. The talk was called “Honest Graft and Dishonest Graft,” recorded in 1905. (Graft is another word for corruption and bribes). In this talk, Plunkitt responds to Lincoln Steffens’s book, The Shame of the Cities.
