Instructions for Influence on a Congressman Rubric:
Responsibilities of Lawmaking Chapter 8 Section 1.

This poster is designed to symbolize the stress placed on a Congressman. The students job is to draw or trace a picture that shows an image representing a congressman and the 5 influences they must consider when fulfilling their role of legislature. Students have to realize that a legislature has a difficult and sometimes impossible task of following through with what all their stakeholders want from them. The poster should have little to no white space, should be completed neatly, colorfully, and should meet the criteria listed below on the rubric. The message of stress should be evident to the viewer. Students should take time when completing this assignment and take pride in their final draft.
