James J. McDonald, Sr.  
*Chief*

Dear Parents,

In an effort to keep our community informed, The Washington Township Police Department has set up accounts on two popular social media sites. We use these sites to keep the community informed about numerous things such as, crimes, community events, weather alerts, road closures and more. Most recently we made use of these sites during hurricane Sandy to update members of the community as many of our citizens lost power and land line telephones but still had cellular service. We are asking that you check out the below sites and if you participate in social media to please "follow" or "like" us on these sites so that you can receive this information. Also, please tell your friends and family to help spread the word.
