L. Public Comments – concerning action items.

Public comment shall be governed by the Board of Education Bylaw 0167. There are two public comment opportunities. The second public comment is set aside for public comment on any school or school district issue that the public feels may be of concern to the residents of the school district. The first public comment is limited to three (3) minutes per person. The second public comment length is determined by the board as per policy. Before making a public comment, participants are to state their name, place of residence, and group affiliation if appropriate.
