Good News and Progress

The **R.A.D. Basic Self-Defense** class held its Simulation exercises on June 7th. Students were able to demonstrate the practices they learned throughout the course in a safe, simulated environment.

Warren Hills Fine Arts programs showcased the outstanding work of our students to bring a close to the 2015-2016 school year. Concerts by the High School Concert Band and Choirs, and Middle School Bands and Choirs entertained audiences in May, and the Sing and Swing Concert and Fine Arts Showcase in June showed the best of our students' efforts in the Arts this year.

The **Warren Hills Cluster Curriculum Committee** (WHCCC) Professional Learning Community (PLC), comprised of teacher representatives from all sending districts and Warren Hills, completed their K-8 “Big Ideas” documents in English Language Arts and Mathematics. This collaborative project can serve as a guidance document to highlight the major curricular changes as students move from grade to grade. Thank you for the cluster boards of education, superintendents, principals, and curriculum director and supervisors for their collective support of this project.

The **Warren Hills Regional Hackathon** was held on June 4, 2016. Several WH alumni attended representing various companies and departments, from Google to Bank of NY Mellon and from Stevens to the Department of Defense.
