Good News and Progress

The R.A.D. Basic Self-Defense class held its Simulation exercises on June 7th. Students were able to demonstrate the practices they learned throughout the course in a safe, simulated environment.

Warren Hills Fine Arts programs showcased the outstanding work of our students to bring a close to the 2015-2016 school year. Concerts by the High School Concert Band and Choirs, and Middle School Bands and Choirs entertained audiences in May, and the Sing and Swing Concert and Fine Arts Showcase in June showed the best of our students’ efforts in the Arts this year.

The Warren Hills Cluster Curriculum Committee (WHCCC) Professional Learning Community (PLC), comprised of teacher representatives from all sending districts and Warren Hills, completed their K-5 “Big Ideas” documents in English Language Arts and Mathematics. This collaborative project can serve as a guidance document to highlight the major curricular changes as students move from grade to grade. Thank you for the cluster boards of education, superintendents, principals, and curriculum director and supervisors for their collective support of this project.

The Warren Hills Regional Hackathon was held on June 4, 2016. Several WH alumni attended representing various companies and departments, from Google to Bank of NY Mellon and from Stevens to the Department of Defense. This was a community event to work with WH alumni and many activities were offered, such as creating a cell phone app.

The executive student club members from the Healthy Options Today and Tomorrow (H.O.T.T.) Club conducted a special, carousel library showcase at the high school on June 8, 2016 for the students and the staff at Warren Hills Regional High School. The health topics discussed at this showcase were: Food Addiction, Internet Safety and Cell Phone (Addiction) Awareness/Etiquette. We would like to kindly thank Mr. Bill Stover from the Family Guidance Center for enlightening the students and staff on the epidemic of cell phones usage and awareness in our society! Additionally, we would like to give special recognition to our H.O.T.T. Club members for the hours of research, fantastic presentation skills and innovative activities to reach many students and staff on campus. Student Researchers/Presenters: John Antley, Tory Burd, Emily Brown, Sarah Gilligan, Justin Lewis, Kaylynn Ruth, Milena Sudarikov and Savana Uhlig. Finally, special thanks to Mrs. Amanda Brown, Ms. Maggie Devine, Mrs. Beal Shah and the custodial staff for the set up and support for this library showcase.

A cluster music articulation meeting was held June 9, 2016. Among the topics discussed were SmartMusic, Sight Reading apps and other best practices.

Congratulations to the Warren Hills Concert Choir and Select Choir for their exceptional performances at the Hershey Park Music in the Parks competition. Both groups earned Superior ratings and first place in both the Mixed Choir 1 and Mixed choir 2 categories. The Warren Hills Select Choir earned a score of 97 out of 100 granting them the title of “best overall choir” among the 5 highly competitive high school choral groups participating that day. In addition, Warren Hills freshman Kate Johnson was awarded best student accompanist for her work accompanying the choir on the piano.

June 21, 2016
On June 8, 2016 the Fine Arts department presented Sing and Swing a unique event in the high school cafeteria that includes an Art show, film design showcase, woodworking pieces and a Concert featuring the Warren Hills Select Choir and Jazz Band. Guests were entertained by the many works of art and performance of our talented student, led by our excellent Fine Arts educators.

On June 15, 2016 Professional opera singer and Warren Hills Alumni Amy Shoremount-Obra presented a performance of Classical vocal music and opera highlights to music students and interested classes during the last two blocks of the school day. Amy spoke about her journey into this career and about her experiences singing at the Metropolitan Opera in New York City and Opera houses throughout the U.S. and Europe.
