Dear Parent/Guardian:

Your son/daughter is receiving Title I services at the Warren Hills Regional Middle School in Mathematics or ESL class during the 2020-2021 school year. Title I funds enable schools to provide supplemental opportunities for students to help them achieve academic proficiency and meet the student learning standards.

School districts that receive Title I funding from the State of New Jersey are required to notify parents regarding the entrance and exit criteria for being serviced in a Title I program, along with the primary reason the student has been selected for Title I services.

To that end, please note the following information. At least two of the three entrances and exit criteria must be met:

Entrance Criteria into a Title I Mathematics class:

- A Standardized Test score; and/or
- Marking Period scores and/or end of year failures in Mathematics as indicated on the middle school's *Genesis* records for the 2019-2020 school year OR sending district's student transcript records; and/or
- Mathematics Placement Test; and/or
- Teacher recommendation

Exit Criteria from a Title I Mathematics or ESL class:

- Post-Assessment; and/or
- Marking period(s) passing grades [80% and above] in Mathematics at the semester of the current school year as indicated on the middle school's *Genesis* records; and/or
- Teacher recommendation

Primary Reason your son/daughter has been selected for Title I services for the 2020-2021 school year:

- To improve student proficiencies and achievement in Mathematics; and/or
- To be supported in an English as a Secondary Language (ESL) class

Thank you for your review of this information. If you have any questions, please contact me at moored@warrenhills.org or at (908) 689-3143.

Sincerely,

Dawn A. Moore
